Fisherbrand Pipette Tip Box Recycling Program

- Dispense **clean, empty** pipette tip boxes.

  - **No** pipette tips, pipettes or liquids.

Each recycling box holds anywhere from 36 to 75 pipette tip boxes, depending on the size of the boxes. Fill up a container, ship it from any UPS location using the prepaid label, and we’ll handle the rest.

As part of Thermo Fisher Scientific, we’re working to achieve net-zero emissions by 2050, and we’re simultaneously helping our customers reach
their own goals through sustainable product choices, convenient recycling programs, and expertise in the latest advancements in sustainability.
