

## Curriculum Vitae

**CRAIG THOMAS RAMEY, PH.D.****ADDRESS**

Fralin Biomedical Research Institute  
 Virginia Tech  
 2 Riverside Circle  
 Roanoke, Virginia 24016  
 Office Telephone: 540-526-2033  
 Office Fax: 540-985-3373  
 Cellular Telephone: 202-841-2452  
 E-Mail: ctramey@vt.edu

**EDUCATION**

1965 B.A. (Psychology), West Virginia University  
 1967 M.A. (Psychology), West Virginia University  
 1967 Research Fellow, Rossmore Cortese Institute for Research on Aging and Development,  
 University of Southern California  
 1969 Ph.D. (Life Span Developmental Psychology), West Virginia University  
 1968-1969 Postdoctoral Fellow in Human Development, University of California at Berkeley

**FACULTY AND ADMINISTRATIVE POSITIONS**

2011-Present Distinguished Research Scholar of Human Development and Professor of Psychology,  
 Neuroscience, and Pediatrics, Virginia Tech  
 2002 - 2011 Founding Director, Georgetown University Center on Health and Education (with Sharon L.  
 Ramey) and Georgetown University Distinguished Professor of Health Studies and  
 Psychiatry  
 1990-2002 Founding Director, Civitan International Research Center,  
 University of Alabama at Birmingham, (with Sharon L. Ramey)  
 1990-2002 University Professor of Psychology, Pediatrics, Sociology, Nursing,  
 Maternal and Child Health, and Neurobiology, University of Alabama at Birmingham and  
 Director, Alabama's University Affiliated Program for Developmental Disabilities  
 1996-1999 Director, Developmental Psychology Graduate Training Program, University of Alabama at  
 Birmingham  
 1979-1990 Professor, Departments of Psychology and Pediatrics University of North Carolina at  
 Chapel Hill  
 1978-1989 Director of Research and Associate Director, Frank Porter Graham Child Development  
 Center UNC-CH  
 1971-1978 Associate Professor, Department of Psychology,  
 University of North Carolina at Chapel Hill  
 1971-1974 Senior Investigator and Director of Infant Research,  
 Frank Porter Graham Child Development Center, University of North Carolina  
 1969-1971 Assistant Professor of Psychology, Wayne State University  
 1968-1969 Research Fellow in Psychology, University of California at Berkeley  
 1967 Instructor, Department of Psychology, West Virginia University

## **VIRGINIA ACTIVITIES**

2016-2020	Inaugural Member, School Readiness Committee, Commonwealth of Virginia
2016-2020	Chief Science Officer for Human Development, City of Roanoke, VA
2015-2019	Evaluation Advisory Board Member, Virginia Preschool Initiative-Plus (VPI+)
2012-2019	Advisor, Virginia Early Childhood Foundation (VECF) Advisors Council
2012-2020	Chair, Data and Information Sharing Committee, Star City Reads!
2012-2020	Executive Steering Committee, Star City Reads! Initiative for the City of Roanoke
2012-2018	Advisory Committee for Program Governance, Total Action for Progress (TAP) Head Start
2012-2016	Community Advisory Board, Junior League of Roanoke Valley
2012-2019	Board Member, United Way of Roanoke Valley
2011-2017	Board Member, Roanoke Symphony Orchestra (RSO)
2011-2016	Board Member, Child Health Investment Partnership (CHIP)
2011-2019	Early Childhood Education Team, United Way of Roanoke Valley
2011-2019	Steering Committee, Smart Beginnings of Roanoke Valley
2012-2020	Chief Science Advisor, Roanoke City Public Schools

## **MAJOR RESEARCH PROGRAMS**

Basic Research in Infant Learning, Cognition, Social and Intellectual Development

Founding Director, The Abecedarian Project: A multidisciplinary, randomized trial of primary prevention of developmental disabilities in a high risk sample

Founding Director, Project CARE: A randomized comparison of two primary prevention strategies for children of families at high risk for developmental disabilities

Founding Director, Infant Health and Development Program: An eight-site, multidisciplinary, randomized intervention study concerning the prevention of developmental disabilities in low birthweight premature infants

Principal Investigator, Head Start/Public School Transition Project: A 32-site randomized trial of transition to school services for Head Start children and their families

Founding Director of UAB/Titusville 2000: A collaborative urban university/community partnership for research and development projects to improve the quality of life for families

Principal Investigator: Alabama Statewide Epidemiology Program for developmental disabilities

Founding Director, The Alabama Child Care Quality Enhancement Consortium

Co-Principal Investigator, Parenting for the First Time: A four-site study of teen and non-teen parenting

Co-Principal Investigator, Early Childhood Educator Professional Development Program “Excellence in Teaching” for the District of Columbia

Co-Director, Montgomery County Public Schools and Georgetown University Partnership for Pre-K Education

Chief Science Advisor for the State-wide PreK Program in Louisiana

**AWARDS**

1965	B.A. awarded <i>cum laude</i>
1966-1969	National Institute of Child Health and Human Development Fellowship
1970	Outstanding Faculty Research Award Fellowship, Wayne State University
1972	American Psychological Association - National Science Foundation, Visiting Scientific Lecturer
1972	Sigma Xi, The Research Honorary
1974	Spencer Foundation Outstanding Young Scholar Award
1980	North Carolina Distinguished Educational Research Award
1980	American Education Research Association "Best Paper" Award
1985	Simpson-Ramsey Award for Outstanding Research with Disadvantaged and At-Risk Children, University of Alabama at Birmingham
1987	American Psychological Association Award for Exemplary Prevention Programs (for Abecedarian Project and Project CARE)
1991	Administration for Children, Youth and Families Award for Contributions to Head Start Research and Evaluation
1994	Theodore Tjossem Memorial Lecture, University of Washington
1997 - 2002	Distinguished University Professor, University of Alabama at Birmingham
1997	Chautauqua Award for Outstanding Contribution to the Field of Developmental Disabilities
1999	Marie Robert Fisher Distinguished Professor, University of North Texas
1999	Gold Award, National Parenting Publication Award for Parenting Resources for <i>Right From Birth: Building your Child's Foundation for Life</i> National Collaborative Academy on Mental Retardation sponsored by the President's Committee on Mental Retardation
1999	Rose and Al Pastor Distinguished Lecture, Children's Hospital of Buffalo, N.Y.
1999	Career Scientist Award, The Academy on Mental Retardation
2000	Caroline P. and Charles W. Ireland Prize for Scholarly Distinction
2000	Senator Howell Heflin Award for Statesmanship in World Health and Education
2003	National Institute of Child Health and Human Development Hall of Honor Inductee, "For leading the research effort to document the effectiveness of environmental enrichment as an early intervention to improve outcomes for children at high risk for developmental and intellectual disabilities due to socio-cultural circumstances."
2006-2007	Member, National Board for Education Sciences, Institute of Education Services, U.S. Department of Education (Presidential nomination, U.S. Senate confirmation)
2007-2008	Chair (elected), National Board for Education Sciences, Institute of Education Services, U.S. Department of Education (Presidential nomination, U.S. Senate confirmation)
2007	Society for Research in Child Development Award for Distinguished Contributions to Public Policy for Children
2012	Scholar of the Week, Virginia Tech
2013	Fellow Association for Psychological Science
2013	Fordham University Excellence in Early Childhood Award
2015	United Way of Roanoke Valley Community Impact Award
2015	Virginia Tech, Invited Martin Luther King Campus wide Address
2015	LEAD Virginia Class of 2015
2019	Multiple Sclerosis Society Award
2021	T. Berry Brazelton Friend of Children Award, Southern Early Childhood Associate (SECA)

## **INTERNATIONAL, NATIONAL AND STATE COMMITTEES AND BOARDS**

General Academics Pediatrics Program, Robert Wood Johnson Foundation  
 U.S. Department of Health and Human Services Scientific Review Committee on Agent Orange and Viet Nam  
 Research Steering Committee for Infant Health and Development Program, Stanford University  
 Early Intervention Research Institute, Utah State University  
 Barbara K. Lipman School and Research Institute, Memphis State University  
 Prenatal and Infancy Nurse Home Visitation Program, University of Rochester Medical Center  
 National Head Start Evaluation Design Group, Administration for Children, Youth and Families, U.S. Department of Health and Human Services  
 Chapter I National Longitudinal Evaluation Design Group, U. S. Department of Education  
 Chair, NIMH Committee on Community and Policy Issues in Prevention Research  
 President's Committee on Mental Retardation for Mentally Retarded Mothers  
 Centers for Disease Control Commission on Prevention of Mental Retardation  
 Two Generation Research Network Committee, Foundation for Child Development  
 Alabama Developmental Disabilities Governor's Planning Council  
 International Planning Committee, International Congress for the Scientific Study of Mental Deficiency  
 Maternal and Child Health Planning Committee on School Readiness  
 Juniper Gardens Advisory Board, University of Kansas  
 Alabama Committee on Prevention of Developmental Disabilities  
 Early Childhood Research Institute on Substance Abuse - a consortium of the University of Kansas, University of Minnesota and the University of South Dakota  
 Education Chair, SEAAMR Division of the Executive Committee  
 National Advisory Committee on Head Start Research  
 National Academy of Sciences Advisory Committee on Minority Representation in Special Education  
 President's Committee on Mental Retardation for 1999 National Collaborative Academy on Mental Retardation  
 National Academy of Sciences Advisory Committee on the Science of Developmental Transition and Early Childhood Intervention  
 American Psychological Association, Institute for Education Sciences Postdoctoral Education Research Training Advisory Panel  
 Chair, National Advisory Council on National Research Society for Head Start  
 Professional Advisory Board of the Center for Development and Learning, Covington, LA  
 Member, Advisory Council for Child Care and Early Education Research Connections  
 Scholastic National Early Childhood Advisory Board  
 Member, Advisory Board of the National Center for Infant and Early Childhood Health Policy, UCLA Center for Healthier Children, Families and Communities  
 Member, Georgetown University Medical Center Strategy Planning Steering Committee  
 DC Public Schools Superintendent's Council on Universal School Readiness and Early Childhood Education  
 Board of Directors, National Board of Educational Sciences  
 Advisory Committee on Perinatal, Infant, and Inter-Conceptional Health, District of Columbia, Department of Health (2008-2010)  
 Advisory Council Member, Nemours Prevention Advisory Council (2004 – 2013)

Policy Research Working Group Subcommittee of the Governor's (Virginia) Early Childhood Advisory Council (ECAC) Task Force on Integrated Data Systems (2012)  
 Human Capital and Economic Opportunity Working Group, Early Childhood Interventions (ECI) (2012-2013)  
 Virginia Tech Carilion School of Medicine, Appointment, Promotion and Tenure Committee, Pediatrics and Obstetrics and Gynecology (2012-Present)  
 Virginia Health Innovation Plan Advisory Group (Early Childhood Task Force) (2013)  
 United Federation of Teachers (UFT) Child Care Advisory Board (2012-2013)  
 Board of Advisors, Center for Development and Learning, New Orleans, LA (2013)  
 VTCRI Distinguished Scholar Committee (2013)  
 Editorial Board, *Applied Developmental Science*  
 Editorial Board, *Journal of Paediatric and Health*  
 VTCRI Appointments Committee (2014-Present)  
 VTCRI Cognitive Neuroscience Committee (2014)  
 New York City Department of Education, Universal-Pre K Scientific Advisory Council (2014-Present)  
 Evaluation Advisory Board Member, Virginia Preschool Initiative-Plus (VPI+) (2015-Present)  
 BELL Pre-K Advisory Board Member (June 2016 - Present)  
 Inaugural Member, School Readiness Committee, Commonwealth of Virginia (2016-Present)  
 Board Member, National Prevention Science Coalition to Improve Lives (NPSC) (2016-Present)  
 Stakeholder Committee Member, Equity and Social Disparity in the Human Condition for the destination and strategic growth areas at Virginia Tech (2017-2018)  
 National Advisory Council of The Abecedarian Education Foundation  
 FBRI-VTC Diversity Strategic Planning Committee (2017-Present)  
 FBRI Developmental Neuroscience Search Committee (2021-Present)

## **COURSES TAUGHT**

Introductory Psychology  
Child Development  
The Development of Social Behavior  
Infant Development  
Research Methodologies in Developmental Psychology  
Life Span Developmental Psychology  
The Effects of Early Experience on Human Development  
The Social Psychology of Personality Development  
Biomedical, Psychological, Educational, and Social Aspects of Mental Retardation  
Development of Learning, Perception, and Intelligence  
Systematic Interventions to Alter Human Development  
Family Research  
Longitudinal Research Methods  
Statistical Methodology for Multi-level Analyses  
Early Childhood Development & Parental Challenges  
Human Growth and Development

Advanced Developmental Psychology  
ResearchLive!  
TBMH Developmental Aging and Repair (DAR)  
Political Science -State and Local Government  
TBMH Professional Development and Ethics  
Health Implementation Science  
Clinical Research Methods, Virginia Tech Carilion School of Medicine

## **PROFESSIONAL MEMBERSHIPS**

Society for Research in Child Development  
American Academy for Cerebral Palsy and Developmental Medicine  
International Association for the Scientific Study of Intellectual Disabilities  
American Psychological Society  
American Psychological Association  
American Public Health Association  
International Society on Early Intervention  
National Association for the Education of Young Children  
American Association for the Advancement of Science

## **HISTORY OF RESEARCH AND TRAINING GRANTS**

A Longitudinal and Multidisciplinary Examination of the Maternal Deprivation Syndrome  
National Institute of Child Health and Human Development (NICHD/NIH)  
December, 1972 - December, 1973  
\$182,938 (Co-principal Investigator)

Child Development Institute  
National Institute of Child Health and Human Development (NICHD/NIH)  
September, 1972 - August, 1977  
\$3,718,725 (Investigator)

Effects of Evaluation on Infant Cognitive Development  
National Institute of Mental Health (NIMH/NIH)  
June, 1973 - May, 1976  
\$120,000 (Investigator)

Research Training Program in Mental Retardation  
National Institute of Child Health and Human Development (NICHD/NIH)  
July, 1974 - June, 1979  
\$413,231 (Investigator)

North Carolina Child Development Study  
N.C. Department of Human Resources  
May, 1974 - March, 1975  
\$30,000 (Investigator)

Longitudinal Intervention for High-Risk Children  
National Institute of Child Health and Human Development (NICHD/NIH)  
January, 1975 - December, 1977  
\$502,819 (Co-Principal Investigator)

Carolina Infant Vocalization Project  
National Institute of Child Health and Human Development (NICHD/NIH)  
June, 1974 - May, 1975  
\$58,341 (Principal Investigator)

The Effects of Febrile Illness on Learning in Preschool and Elementary School Children  
Spencer Foundation  
June, 1974 - May, 1975  
\$5,000 (Co-Principal Investigator)

North Carolina Child Development Study  
N.C. Department of Human Resources  
March, 1975 - December, 1975  
\$37,000 (Principal Investigator)

Early Childhood Education Program  
N.C. Department of Human Resources  
July, 1975 - June, 1976  
\$248,407 (Principal Investigator)

Early Childhood Education Program  
N.C. Department of Public Instruction, 1976  
\$17,550 (Principal Investigator)

Early Childhood Education Program  
N.C. Department of Public Instruction, 1976  
\$13,141 (Principal Investigator)

Early Childhood Education Program  
N.C. Department of Human Resources  
July, 1976 - June, 1977  
\$292,971 (Principal Investigator)

Day Care Technical Assistance Training System  
N.C. Department of Human Resources  
July, 1976 - June, 1977  
\$236,855 (Investigator)

North Carolina Child Care Training Consortium  
N.C. Department of Human Resources  
July, 1976 - June, 1977  
\$1,178,954 (Chairman, Board of Directors)

Carolina Institute for Research on Early Education for the Handicapped  
U. S. Bureau for the Education of the Handicapped  
Office of Education  
July, 1977 - June, 1982  
\$2,185,461 (Investigator)

Child Development Institute  
National Institute of Child Health and Human Development (NICHD/NIH)  
September, 1977 - August, 1982  
\$2,244,458 (Investigator)

Early Childhood Education Program  
N.C. Department of Human Resources  
October, 1977 - September, 1978  
\$252,000 (Principal Investigator)

Longitudinal Intervention for High-Risk Children II  
National Institute of Child Health and Human Development (NICHD/NIH)  
January, 1978 - December, 1982  
\$1,844,153 (Co-Principal Investigator)

Institute for the Analysis of Child and Family Policy

Bush Foundation

July, 1978 - June, 1983

\$661,381 (Investigator)

Longitudinal Intervention for High-Risk Children II – Supplementary

National Institute of Child Health and Human Development (NICHD/NIH)

January, 1979 - December, 1982

\$99,000 (Principal Investigator)

Research Training Program in Mental Retardation

National Institute of Child Health and Human Development (NICHD/NIH)

July, 1979 - June, 1984

\$540,410 (Investigator)

How Three Levels of Service Affect Family Functioning: An Ecological Investigation

Administration on Children, Youth, and Families (ACYF)

January, 1980 - December, 1980

\$119,890 (Co-Principal Investigator)

How Three Levels of Service Affect Family Functioning: An Ecological Investigation

Administration on Children, Youth, and Families (ACYF)

January, 1981 - December, 1981

\$119,150 (Co-Principal Investigator)

Consortium on Home Environment and Mental Retardation

National Institute of Child Health and Human Development (NICHD/NIH)

July 1, 1981 - June 30, 1983

\$88,711 (Investigator)

Child Development and Mental Retardation

National Institute of Child Health and Human Development (NICHD/NIH)

September, 1982 - August, 1987

\$3,294,438 (Investigator)

How Three Levels of Service Affect Families: An Ecological Investigation

ACYF

December, 1981 - December, 1982

\$120,000 (Co-principal Investigator)

Longitudinal Intervention for High-Risk Children III

National Institute of Child Health and Human Development (NICHD/NIH)

January, 1983 - December, 1986

\$909,010 (Principal Investigator)

How Three Levels of Service Affect Families: An Ecological Investigation  
ACYF  
January - February, 1982  
\$13,747 (Co-principal Investigator)

Efficacy of Early Intervention with High-Risk Preschoolers  
Office of Education  
January, 1983 - June, 1985  
\$232,291 (Principal Investigator)

Evaluating Interventions with Low Birthweight Infants  
Robert Wood Johnson Foundation  
February, 1983 - October, 1983  
\$89,250 (Principal Investigator)

Efficacy of Two Early Intervention Programs  
National Institute of Child Health and Human Development (NICHD/NIH)  
April, 1983 - March, 1986  
\$321,431 (Principal Investigator)

Longitudinal Intervention for High-Risk Children III: Supplementary  
January, 1983 - December, 1983  
\$44,453 (Principal Investigator)

Longitudinal Intervention for High Risk Children III: Supplementary  
January, 1983 - December, 1983  
\$19,921 (Principal Investigator)

Program Development and Implementation Unit/Infant Health and Development Program  
Robert Wood Johnson Foundation  
January, 1984 - December, 1984  
\$267,000 (Principal Investigator)

Program Development & Implementation Unit/Infant Health and Development Program  
Robert Wood Johnson Foundation  
January 1985 - December, 1985  
\$427,000 (Principal Investigator)

Efficacy of Preschool Intervention with School-Age Follow-Through  
Department of Education  
September, 1985 - August, 1988  
\$391,000 (Principal Investigator)

Early Adolescent Follow-up of High-Risk Infants  
National Institute of Child Health and Human Development (NICHD/NIH)  
April, 1986 - March, 31, 1990  
\$300,867 (Principal Investigator)

Program Development and Implementation Unit/Infant Health and Development Program  
Robert Wood Johnson Foundation  
January, 1986 - December, 1986  
\$586,013 (Principal Investigator)

Research and Development of Early Intervention Programs for Children At-risk for Emotional  
Social and Cognitive Delays  
Robert Wood Johnson Foundation  
January, 1986 - March, 1989  
\$150,000 (Faculty Advisor for Dr. J. Horacek)

Efficacy of Early Intervention with School-Age Follow Through  
National Institute of Child Health and Human Development (NICHD/NIH)  
December 1, 1985-November 30, 1988  
\$277,240 (Co-Principal Investigator)

Interdisciplinary Research Training in Special Education  
Office of Special Education Programs, Department of Education  
July 1, 1986-June 30, 1989  
\$235,709 (Investigator)

Program Development and Implementation Unit, Infant Health and Development Program  
Robert Wood Johnson Foundation  
January 1987-December 1987  
\$537,663 (Principal Investigator)

Program Development and Implementation Unit, Infant Health and Development Program  
Robert Wood Johnson Foundation  
January 1988-June 1989  
\$751,467 (Principal Investigator)

North Carolina Mental Retardation Program - Longitudinal Studies Core  
National Institute of Child Health and Human Development (NICHD/NIH)  
August 1, 1988-July 31, 1993

Alabama Department of Education  
October 1, 1998-September 30, 1999  
\$77,636 (Principal Investigator)

Preschool Collaboration Project  
Children's Trust Fund  
October 1, 1998-September 30, 1999  
\$69,567 (Principal Investigator)

Research and Technical Assistance Consortium  
Children's Trust Fund  
January 1, 1999-December 31, 1999  
\$176,426 (Principal Investigator)

Prevention of Primary and Secondary Disabilities  
Alabama Department of Mental Health and Mental Retardation  
January 1, 1999-June 30, 2000  
\$271,386 (Investigator)

Prevention Planning Project  
Alabama Department of Mental Health and Mental Retardation  
October 1, 1999-September 30, 2000  
\$49,136 (Principal Investigator)

Developmental Disability Consultant Services  
LSU Medical Center Foundation  
April 1, 1999-March 31, 1999  
\$48,000 (Principal Investigator)

Developmental Disability Consultant Services  
LSU Medical Center Foundation  
April 1, 1999-March 31, 2002  
\$519,960 (Principal Investigator)

Early Childhood Conference  
Phil Hardin Foundation  
February 1, 1999-September 1, 1999  
\$24,943 (Principal Investigator)

Meridian/Lauderdale Early Childhood Education Project  
Riley Foundation  
May 1, 1999-September 30, 1999  
\$42,288 (Principal Investigator)

Interdisciplinary University Wide Research Center  
University of Alabama at Birmingham  
October 1, 1999-September 30, 2002  
\$900,000 (Co-Principal Investigator)

The Alabama Child Care Quality Enhancement Consortium  
Alabama Department of Human Resources  
December 1, 1999-September 30, 2001  
\$9,500,000 (Principal Investigator)

Infants and Toddlers with Autism Spectrum Disorders  
Department of Mental Health  
May 1, 2000-September 30, 2001  
\$21,631 (Investigator)

Prevention of Mild Mental Retardation  
Department of Mental Health  
July 1, 2000-September 30, 2001  
\$283,127 (Investigator)

Mental Retardation Research Center  
National Institute of Child Health and Human Development (NICHD/NIH)  
September 1, 2000–August 31, 2005  
\$3,646,282 (Core Director)

Children’s Well-Being and School Readiness Project  
McComb, Mississippi City School District  
January 1, 2001–December 31, 2001  
\$32,244 (Principal Investigator)

School Readiness Project  
Mississippi Department of Education  
October 1, 2000–September 30, 2001  
\$87,996 (Principal Investigator)

Developmental Disability Consultant Services  
Louisiana State University  
January 1, 2000–June 30, 2001  
\$23,000 (Principal Investigator)

Curriculum Development Project  
Red e Set Grow  
September 1, 2001–August 30, 2003  
\$400,000 (Co-Principal Investigator)

“Predicting and Preventing Neglect in Teen Mothers”  
National Institute of Child Health and Human Development (NICHD/NIH)  
June 1, 2001–May 31, 2006  
\$6,000,000 (Co-Principal Investigator)

“Intergenerational Pathways to Competence in Minority Families”  
Maternal and Child Health Bureau  
October 1, 2001–September 30, 2005  
\$1,075,725 (Co-Principal Investigator)

“Grants for Infants and Families with Disabilities” (LSU Part C Evaluation)  
Louisiana State University  
April 1, 2002–June 30, 2004  
\$64,368 (Principal Investigator)

“(LA4) Pre-Kindergarten: Program Evaluation & Research”  
State of Louisiana Department of Education  
Louisiana Early Childhood Development Programs  
August 16, 2002–June 30, 2004  
\$260,767 (Research Director)

“Head Start in Mississippi: A Contract to Conduct Research And Program Evaluation”  
 Department of Health and Human Services (DHHS)  
 September 1, 2002–June 31, 2004  
 \$160,000 (Co-Principal Investigator)

“Leaders in Literacy: Evaluation of Educational Intervention”  
 U.S. Department of Education (Mississippi State University subcontract)  
 November 1, 2002–October 31, 2004  
 \$1,524,040 (Co-Principal Investigator for Evaluation Study)

“Early Childhood Education: Effects on Adult Adaptation” (Abecedarian Follow-Up)  
 National Institute of Child Health and Human Development / National Institutes of Health  
 April 1, 2003–March 31, 2004  
 \$1,462,756 (Co-Principal Investigator)

“Early Childhood Education: Effects on Adult Adaptation”  
 NIH, NICHD, University of North Carolina subcontract  
 April 1, 2003–March 31, 2008  
 \$100,100 (Co-Principal Investigator)

“ECOR Instrument Development”  
 Montgomery County Public Schools  
 June 1, 2003–October 31, 2003 (Co-Principal Investigator)

“Early Reading First Evaluation”  
 Formal Evaluation for U.S. Dept. of Education (Montgomery County Public Schools subcontract)  
 June 1, 2003–December 31, 2005  
 \$697,743 (Co-Principal Investigator)

“The Efficacy of Building *Language for Literacy* to Promote School Readiness”  
 Institute of Educational Sciences (IES) / U.S. Department of Education  
 July 1, 2003–July 14, 2007  
 \$1,945,376 (Co-Principal Investigator)

“Preventing Child Neglect in High-Risk Mothers”  
 National Institute of Child Health and Human Development, National Institutes of Health (NIH)  
 September 12, 2003–August 31, 2010  
 \$8,347,750 (Co- Investigator)

“Review of Research Opportunities for *Reading is Fundamental* (RIF)”  
 Reading is Fundamental  
 September 1, 2003–August 31, 2008  
 \$100,039 (Investigator)

“Evaluation of Promising Models and Delivery Approaches to Child Care Provider Training”  
 Child Care Bureau, Department of Health and Human Services (DHHS)  
 September 30, 2003–September 29, 2008  
 \$2,125,000 (Co-Principal Investigator)

“LA4 Prekindergarten Development Program”  
 University of Louisiana at Lafayette, LA DOE  
 July 1, 2005–June 30, 2010  
 \$66,662 (Co-Principal Investigator)

“Reading First”  
 University of Louisiana subcontract, U.S. DOE  
 July 1, 2005–December 31, 2007  
 \$92,593 (Principal Investigator for Subcontract)

“The Science of Early Childhood Education: Georgetown University Diploma Program for Newly Inducted Teachers”  
 CityBridge Foundation  
 January 1, 2007–September 30, 2008  
 \$212, 543 (Co-Principal Investigator)

“Community Child Health Network Phase II Research: Stress, Allostatic Load, and Health Outcomes”  
 NICHD  
 July 1, 2007–June 30, 2013  
 \$2,500,000 (Co-Investigator)

“Service Delivery Models to Reduce Maternal & Child Health Disparities”  
 NIH/NICHD  
 July 25, 2007-June 30, 2013  
 \$2,677,010 (Co- Investigator)

“District of Columbia Early Childhood Education Professional Development Program”  
 DOE  
 September 1, 2007-August 31, 2011  
 \$4,614,758 (Co-Principal Investigator)

“Consortium Project on Early Childhood Intervention Programs”  
 NIH  
 July 1, 2007–June 30, 2012  
 \$2,500,000 (Co-Investigator)  
 (Principal Investigator, James Heckman, University of Chicago)

Evaluation of DC Early Reading First  
 DOE/Appletree Institute  
 July 1, 2008 – June 30, 2011  
 \$254,016 (Principal Investigator)

LA4/Starting Points PreK

DOE/ULL

August,13 2010-June,30 2013

\$108,677 (recurring yearly amount for next 3 years) (Principal Investigator)

Every Child Ready

DOE/Appletree Institute

October, 1 2010 – September 30, 2012

\$1,800,000 (Principal Investigator)

LA4 Longitudinal Study

DOE/ULL

August 1, 2011-June,30 2013

\$216,000 (recurring yearly amount for next 3 years) (Principal Investigator)

“Preconception and Prenatal Stress: Pathways to Child Biology and Behavior”

NICHHD/NIH

August 15, 2013- August 31, 2018

\$2,645,671 (Co- Investigator)

“Mentorship and Development Program for Biomedical Trainees”

OD/NIH

September 20, 2013 – August 31, 2018

(Projected No Cost Extension through 08/31/2019)

\$1,823,751 (Program Faculty)

“Building Research Infrastructure and Community to Advance Social Scientific and Educational Use of Administrative Data”

NSF/HER

October 01, 2013 – September 30, 2015

(Research Panelist)

“Smart Beginnings for Southside Families”

Virginia Early Childhood Foundation (VECF)

May 2015 – April 2018

(Evaluator)

“Phase 1 & 2: Universal LAP Data Analysis Project”

Kaplan Early Learning Company

May 1, 2015 – October 31, 2015; March 10, 2016 – June, 9 2016

\$248,989 (Co-Principal Investigator)

“Perinatal Arterial Stroke: A Multi-site RCT of Intensive Infant Rehabilitation (I-ACQUIRE)”

NIH/NICHHD

02/01/2019 – 01/31/2024

\$13,409,598 (Co-Investigator and Co-Director of Treatment Implementation Center)

**“National Pediatric Rehabilitation Resource Center”**

NIH/NICHHD

04/01/2020 – 03/31/2025

\$5,838,071 (Co-Investigator and Core Lead of Promoting Center Expertise)

**“StrokeNet I-ACQUIRE 12-month Follow-up Study”**

NIH/NICHHD

06/01/2021 – 01/31/2024

\$2,157,995 (Co-Investigator and Co-Director of Treatment Implementation Center)

**UNIVERSITY SERVICE**

1979-1981	UNC Committee for Scientific and Technical Personnel Policies
1982 - 1983	Biological Sciences Research Center Review Committee
1984 - 1985	Search Committee, Head of Division of Disorders in Development and Learning
1984 - 1985	Search Committee, Director of Biological Sciences Research Center
1983 - 1985	Steering Committee, UNCCCH Self-Study: The Research Mission of the University
1983 - 1985	Liaison, Task Group II of Self Study: Optimal Organization in Support of the Research Mission at UNCCCH
1987 - 1989	Chair, Frank Porter Graham Innovative Research Awards Program
1988 - 1989	Chair, University of North Carolina Chancellor's Conference on At-Risk Children
1989-1990	Chair, Chapel Hill/Carrboro Advisory Committee on Internal Research Standards and Policies
1990-1994	University of Alabama, President's Urban Planning Committee
1991-1994	University of Alabama, UAB Advisory Council
1993-1994	University of Alabama, Research Resource Allocation Committee
1996	University of Alabama, Search Committee, Dean of Medicine
1999	Univ. of Alabama, Search Committee, Department of OB/GYN (The Sims Professorship)
1999	UAB, Search Committee, Department of OB/GYN (Ellen Greg Shook Culverhouse Chair)
2000	Univ. of Alabama, Search Committee, Department of OB/GYN (Bruce Harris Chair)
2003	Georgetown University Medical Center Strategy Planning Steering Committee
2008-2010	Appointments, Promotion, and Tenure Committee, School of Nursing and Health Studies, Georgetown University
2012-2016	Promotions and tenure committee, Department of Obstetrics and Pediatrics, Virginia Tech Carilion School of Medicine (2012-2013)

**CONFERENCE AND CONVENTION ACTIVITIES (partial listing)**

Mar 1971	Discussant, Symposium on State Variables in Infancy. Merrill-Palmer Infancy Conference.
Apr 1972	Chairman, Session on Language and Communication. Meeting of the Southeastern Society for Research in Child Development, Williamsburg, VA.
Mar 1973	Discussant, Symposium on Arrangements of the Physical Environment which Alter Behavior of Children and Teachers. Biennial meeting of the Society for Research in Child Development, Philadelphia, PA.
1974	Coordinator, Annual meeting of the Southeastern Society for Research in Child Development, Chapel Hill, NC.

- Mar 1975 Chairman and Discussant, Symposium on Infant-Environment Interactions: The Effects of Responsive and Unresponsive Environments. Southeastern Psychological Association, Atlanta, GA.
- Nov 1975 Chairman and Discussant, Symposium on How the Day Care Environment Affects the Social Behavior of Infants, Toddlers and Preschoolers. National Association for the Education of Young Children, Dallas, TX.
- May 1976 Chairman and Discussant, Symposium on Developmental Intervention: Intellectual and Social Processes. American Association of Mental Deficiency, Chicago, IL.
- Mar 1977 Chairman and Discussant, Symposium on Intellectual, Psycholinguistic, and Social Consequences of Early Intervention: A Longitudinal Analysis. Biennial meeting of the Society for Research in Child Development, New Orleans, LA.
- May 1977 Chairman, Symposium on the Social Consequences of Early Intervention. Annual meeting of the American Association of Mental Deficiency, New Orleans, LA.
- Apr 1975 Chairman, Session on Cognition in Infancy. Southeastern Conference on Human Development, Atlanta, GA.
- Apr 1980 Co-Chairman, Symposium on the Bi-Directionality of Attachment: Longitudinal Perspectives of Infant and Maternal Attachment. International Conference on Infant Studies. New Haven, CT.
- Apr 1981 Discussant, Symposium on Environment and Early Mental Development: Comparability and General Ability Across Populations and Implications for Intervention. Biennial meeting of the Society for Research in Child Development, Boston, MA.
- April 1981 Chairman, Symposium on Multiple Perspectives on Problems at Entry to School. Presented at biennial meeting of the Society for Research in Child Development. Boston, MA.
- April 1982 Chairman, Symposium on Behavioral Typologies, Gatlinburg Conference on Mental Retardation. Gatlinburg, TN.
- Mar 1985 Chairman, Symposium on Educating the Next Generation of Researchers. Gatlinburg Conference on Mental Retardation. Gatlinburg, TN.
- Jun 1986 Co-Chair, Conference on the Malleability of Children. Sponsored by the Foundation for Child Development. Quail Roost Conference Center. Rougemont, NC.
- Feb 1987 Co-Chairman, Conference on Public Preschool for North Carolina's 3 and 4 year olds. Sponsored by NC Child Advocacy Institute and Frank Porter Graham Child Development Center.
- Feb 1988 Co-Chair, Conference on Family Support Programs for Children with Special Needs. Sponsored by Maternal and Child Health Division of the Public Health Service. Honolulu, HI.
- Apr 1989 Co-Chair, UNC Chancellor's conference on At-Risk Youth. Chapel Hill, NC.
- Apr 1989 Discussant, Symposium on "Do early intervention programs have sustained effects on mothers as well as children" Society for Research in Child Development. Kansas City, KS.
- Oct 1990 Co-Chair, Developmental Neurobiology and the Environment. Sponsored by NICHD, Birmingham, AL.
- Oct 1990 Discussant, Symposium on "Physical and Behavioral Changes Associated with Aging." Boston Roundtable on Research Issues and Applications in Aging and Developmental Disabilities, Boston, MA.
- Nov 1990 Discussant, "Head Start Research and Evaluation: A Blueprint for the Future." Conference sponsored by the Administration on Children, Youth, and Families, Washington, D.C.
- Apr 1991 Discussant, "Family Support in the Home." Symposium at Society for Research in Child Development, Seattle, WA.

- May 1991 Discussant, Symposium on "Families as Caregivers: Life Style Differences in Family Characteristics and Maternal Well-Being." Gatlinburg Conference on Mental Retardation, Miami, FL.
- May 1991 Chairman, Research Practices: Families of Children with Special Needs. Symposium presented for Gulf Coast Conference on Early Intervention. Point Clear, AL.
- Jun 1991 Moderator Symposium on "Birth Defects, Developmental Disabilities, and Other Childhood Disabilities." Centers for Disease Control's National Conference on the Prevention of Primary and Secondary Disabilities. Atlanta, GA.
- Jun 1991 Discussant, Symposium on "Early Education and Care Options for Preschool Children" in the U.S. Conference on New Directions in Child and Family Research. Sponsored by the U.S. Administration on Children, Youth, and Families. Washington, D.C.
- Mar 1993 Chair, Symposium on the Efficacy of Early Intervention for Poverty Children, Society for Research in Child Development. New Orleans, LA.

385. Ramey, C.T. (October, 1995). Infant Health and Development Model. Invited presentation. Prevention First, Chicago, Illinois.
386. Ramey, C.T. (October, 1995). Longitudinal Studies of Early Intervention. Invited participant, Santa Fe Institute, Santa Fe, New Mexico.
387. Ramey, C.T. (October, 1995). Early Intervention for NICU graduates. UAB Perinatal Grand Rounds/Pediatrics. Birmingham, Alabama.
388. Ramey, C.T. (November, 1995). Enhancing developmental outcomes in two-generation early intervention programs. Invited address. University of Delaware, Newark, Delaware.
389. Ramey, C.T. & Ramey, S.L. (November, 1995). Children, society, and the role of universities. Presented commissioned paper to Harvard University. Cambridge, Massachusetts.
390. Ramey, C.T. (February, 1996). Preschool intervention improves cognitive development & long-term school performance. Invited speaker. American Association for the Advancement of Science symposium The developing brain: Genes, environment and behavior. Baltimore, Maryland.

391. Ramey, C.T. (February, 1996). Disabilities, Differences & Dilemma. Invited presentation. Centers for Disease Control & Prevention.
392. Ramey, C.T. (February, 1996). Surveillance and Investigations of Enrollment Practices in Special Education - Alabama. Invited presentation. Centers for Disease Control & Prevention.
393. Ramey, C.T. (March, 1996). Enhancing Children's Development During Childhood. Invited presentation. Alabama Association of Family and Consumer Sciences. Perdido Beach, Alabama..
394. Grupe, L., Huffman, L., Ramey, S., & Ramey, C. (March, 1996). How Parents Perceive Transition to Public School of Former Head Start Children with and Without Disabilities. Poster presentation. Gatlinburg Conference on Research and Theory in Mental Retardation and Developmental Disabilities. Gatlinburg, Tennessee.
395. Cluett, S. & Ramey, C. (March, 1996). Special Education Placement Among Former Head Start Children: A Descriptive National Study. Presentation. Symposium on Special Education Issues at the Gatlinburg Conference on Research and Theory in Mental Retardation and Developmental Disabilities. Gatlinburg, Tennessee.
396. Ramey, C. (April, 1996). Early Intervention can Prevent Developmental Disabilities. Invited plenary session. DASA Prevention Research Conference. Chicago, Illinois.
397. Ramey, C. (April, 1996). The IHDP Model. Invited workshop presentation. DASA Prevention Research Conference. Chicago, Illinois.
398. Ramey, C. (April, 1996). Mother-Child Interaction and Intelligence. Invited presentation. Emory University's Cognition Project's conference on Intelligence on the Rise? Secular Changes in IQ and Related Measures. Emory University. Atlanta, Georgia.
399. Ramey, C. & Ramey, S. (May, 1996). Invited speakers. Enhancing children's intelligence: A biosocial ecological perspective; *Bell Curve*: Do Herrnstein & Murray accurately portray the knowledge base; and Early childhood education and the Head Start program. Washington & Lee University, Lexington, Virginia.
400. Ramey, C. (June, 1996). Invited presentation. Chicago Early Experience Conference. Brain development in young children: New frontiers for research, policy and practice. Chicago, Illinois.
401. Ramey, C. & Ramey, S. (June, 1996). Symposium on Partnership evaluation: A collaborative approach for measuring program impact and systemic change as part of the Head Start Research Conference. Washington, D.C.
402. Ramey, C. (September, 1996). Featured speaker. At Risk Does Not Mean Doomed workshop. Infants & children at risk: An overview of 30 years of scientific inquiry & research; Birth through three: Critical influences on development. Why the first few years matter for a lifetime; Human malleability: New evidence, early intervention produces long-lasting cognitive achievement and can prevent developmental disabilities; The scientific framework for a prevention program; Proposal for

an integrative framework that produces stronger programs; and Early intervention: New challenges, unresolved scientific and policy related controversies. Crystal, Minnesota.

403. Ramey, C. (October, 1996). Invited speaker. American Health Foundation Conference on The Critical Period of Brain Development. Washington, D.C.
404. Ramey, C. (October, 1996). Invited speaker. HUD sponsored Building Partnerships to Building Communities. What is success: A few examples. Birmingham, Alabama.
405. Ramey, C. (October, 1996). Keynote speaker. The Young Child's Developing Brain conference. Windows of Opportunity. Charlotte, North Carolina.
406. Ramey, C. (November, 1996). Invited speaker. Neurological Pathways to Recovery Conference sponsored by Community Services for Autistic Adults and Children (CSAAC). Long-term benefits in educational programs for very young children. Rockville, Maryland.
407. Ramey, C. (February, 1997). Keynote address. Governor's Conference on Child Abuse. Tuscaloosa, Alabama.
408. Ramey, C.T. & Ramey, S.L. (February 21-23, 1997). "The social environment and mental retardation: Three randomized prevention trials". Symposium paper presentation. The Children's Environmental Health Network. 1<sup>st</sup> National Research Conference on Children's Environmental Health: "Research, Practice, Prevention, and Policy." Washington, D.C.
409. Ramey, C.T., Ramey, S.L., & Gaines, R. (March, 1997). Paper presentation. Differentiating developmental risk levels for families in poverty: Creating a family typology. The Gatlinburg Conference on Research and Theory in Mental Retardation and Developmental Disabilities. Riverside, California.
410. Gaines, R., & Ramey, C.T. (March, 1997). Paper presentation. Adjustment to school: Family and home supports. The Gatlinburg Conference on Research and Theory in Mental Retardation and Developmental Disabilities. Riverside, California.
411. Ramey, C.T. (April, 1997). Discussion Hour. Developing and enhancing a national network of institutes for children, youth, and families. Society for Research in Child Development. Washington, D.C.
412. Ramey, C.T. (April, 1997). Paper Symposium. A Structural and functional typology for families living in poverty. Society for Research in Child Development. Washington, D.C.
413. Slaughter-Defoe, D.T., Howard, E.C., Cooper, R., Ramey, S.L., & Ramey, C.T. (April, 1997). Paper Symposium. Maternal education and ethnicity as cultural mediators of early school adaptation. Society for Research in Child Development. Washington, D.C.
414. Robinson, N., Weinberg, R., Redden, D., Ramey, S.L., & Ramey, C.T. (April, 1997). Paper Symposium. Factors associated with high academic achievement in former Head Start students. Society for Research in Child Development. Washington, D.C.

415. Ramey, C.T. (April, 1997). Early experience and brain development. Invited address Alabama Early Childhood Public Engagement Campaign, Birmingham, Alabama.
416. Ramey, C.T. (April, 1997). Early school experience of Head Start children: Positive beginnings. Head Start Public School meeting. Washington, D.C.
417. Ramey, C.T. (April, 1997). Head Start: Science and Public Policy Alternatives. Invited presentation to the National Institutes of Health. Bethesda, Maryland.
418. Ramey, C.T. (May, 1997). Early Intervention to Improve School Readiness and Family Functioning. Invited keynote speaker at the Early Childhood Family Education and Learning Readiness Coordinators Conference. Minneapolis, Minnesota.
419. Ramey, C.T. (May, 1997). The future of early intervention: Research, programs, and politics. Keynote address, Gulf Coast Conference on Early Intervention, Point Clear, Alabama.
420. Ramey, C.T. (June, 1997). Prenatal and early childhood brain development: Implications for Prevention.
421. Ramey, C.T. (June, 1997). The right start. Invited address: Shelby County Public Schools.
422. Ramey, C.T. (August, 1997). Early intervention to enhance child development. Presented at Symposium: Prevention in early childhood - basic research, theory development, and intervention. American Psychological Association, Chicago, Illinois.
423. Ramey, C.T., Ramey, S.L. (August, 1997). Differential responsiveness to intensive early intervention and maternal characteristics. Presented at Symposium: Early intervention - New perspectives and new findings. American Psychological Association, Chicago, Illinois.
424. Hovinga, M.E., Ramey, C.T. & Campbell, V. (August, 1997). Mental Retardation across counties and states: Ecological analysis of predictors. Presented at Symposium: Disappearing category of mild retardation - variation among school districts. American Psychological Association, Chicago, Illinois.
425. Ramey, C.T. (August, 1997). National transition early intervention: An historical overview. Presented at The Forum on Special Instruction, Birmingham, Alabama.
426. Ramey, C.T. (September, 1997). Early intervention for special needs children: Implications for pediatric practice. Presented at The Alabama Academy of Pediatrics. Orange Beach, Alabama.
427. Ramey, C.T. (September, 1997). Neurodevelopmental effects of early intervention with high risk children. First Annual Retreat of the Department of Neurobiology. Columbiana, Alabama..
428. Ramey, C.T. & Ramey, S.L. (September, 1997). Recent research on early brain development. Alabama's Birth to Three Initiative Planning Forum, sponsored by the Voices for Alabama's Children. Birmingham, Alabama..

429. Ramey, C.T. (October, 1997). The developing brain: Genes, environment, and behavior. Invited keynote address. A Community Response to Brain Development in Children. Gebbie Foundation, Chautauqua Institution, Chautauqua, New York.
430. Ramey, C.T. (October, 1997). Birth through three: Critical influences on development. Why the first few years matter for a lifetime. Invited keynote address. A Community Response to Brain Development in Children. Gebbie Foundation, Chautauqua Institution, Chautauqua, New York.
431. Ramey, S.L. & Ramey, C.T. (October, 1997). Research on the transition into elementary school. Invited speaker. Key Transitions Conference, Washington, D.C.
432. Ramey, C.T. (October, 1997). The importance of early experience. Invited keynote speaker. The SMART Conference. Health Partners, St. Paul, Minnesota.
433. Ramey, C.T. (October, 1997). Brain research and why it matters for everyone. Invited speaker. Ready to Learn Workshop. Birmingham, Alabama.
434. Ramey, C.T. (October, 1997). The link between early childhood experiences and brain development. Invited keynote speaker. Expanding the Reach of Early Childhood Education in Georgia. The Atlanta Committee for Public Education, Atlanta, Georgia.
435. Ramey, C.T. (November, 1997). Early intervention and developmental neurobiology. Invited speaker. International Early Childhood Conference on Children with Special Needs. Division for Early Childhood, New Orleans, Louisiana.
436. Ramey, C.T. (January, 1998). School readiness and the transition to school. Featured speaker. Regional Early Childhood Administrators Training Luncheon. Region 19 Education Service Center Head Start-Public School Transition Program. El Paso, Texas.
437. Ramey, C.T. (February, 1998). Brain compatible teaching & learning: Implications for schools and classrooms. Invited keynote address. The Next Generation School Project Annual conference. The Georgia Partnership for Excellence in Education. Macon, Georgia.
438. Ramey, C.T. (February, 1998). The power of coalitions in preventing injury and disability. Invited keynote speaker. Third Annual Partnerships Promoting Prevention Coalition Forum. Bureau of Injury and Disability Prevention. Washington, D.C.
439. Ramey, C.T. (February 1998). The Abecedarian Project. North Carolina OERI Conference. Chapel Hill, North Carolina.
440. Ramey, C.T. & Ramey, S.L. (February 1998). The transition to school for at risk children: A conceptual framework and related research. Invited presenter. Conference on Research on the Transition to Kindergarten. National Center for Early Development and Learning. Charlottesville, Virginia.
441. Ramey, C.T. (March, 1998). 0-3 brain research. Invited speaker. Kiwanis Club of Vestavia-Hoover. Hoover, Alabama.

442. Ramey, C.T. (March, 1998). Brain development. Invited speaker at Jefferson State Community College. Birmingham, Alabama.
443. Ramey, C.T. (March, 1998). Early childhood brain development. Keynote speaker. Expert in Residence Program. W.K. Kellogg Foundation. Battle Creek, Michigan.
444. Ramey, C.T. (March, 1998). Early childhood brain development. Keynote speaker. 49th Annual SECA Conference Public Policy Day. Louisville, Kentucky.
445. Ramey, C.T. (March, 1998). Brain development. Invited speaker. The Sky's The Limit Workshop. Childcare Resources, University of Alabama at Birmingham and the Junior League of Birmingham. Birmingham, Alabama.
446. Ramey, C.T. (April, 1998). Current brain research. Keynote speaker. Early Years are for Learning, A Week of the Young Child. Just Four Developmental Laboratory. Mobile, Alabama.
447. Ramey, C.T. (April, 1998). Early experience and intervention: Linking brain and behavioral development. Developmental change: Perspectives from Neuroscience and Early Intervention Research. Erikson Institute's Faculty Development project on the Brain and The University of Chicago's Early Childhood Initiative. Chicago, Illinois.
448. Ramey, C.T., Campbell, F.A. & Ramey, S.L. (April, 1998). Early intervention: Successful pathways to improving intellectual development. Invited speaker. Dendritic Mechanisms in Mental Retardation and Development Disabilities Conference. National Institutes of Health. Bethesda, Maryland.
449. Ramey, C.T. (May, 1998). Intellectual Development and the role of early experience. Keynote speaker. Great Beginnings Conference. The Center for the Development of Human Services and the University of Massachusetts at Amherst Center for Language, Speech & Hearing. Milford, Massachusetts.
450. Ramey, C.T. (May, 1998). Which children benefit most from early intervention? Workshop presentation. Great Beginnings Conference. The Center for the Development of Human Services and the University of Massachusetts at Amherst Center for Language, Speech & Hearing. Milford, Massachusetts.
451. Ramey, C.T. (May, 1998). Overview of brain development research. Invited speaker. The Journey of a Child, Child Watch Visitation Program. Junior League of Tuscaloosa. Tuscaloosa, Alabama.
452. Ramey, C.T. (May, 1998). Brain development. Keynote address: Childcare Licensing Conference. Atlanta, Georgia.
453. Ramey, C.T. (May, 1998). Interventions for low birthweight and premature infants. Keynote address. Alabama Prenatal Conference. Birmingham, Alabama.
454. Ramey, C.T. (June, 1998). Research Methodologies - High risk infants/high risk family. Guest speaker. Premature Infant and Implications for Early Intervention Conference. Early Intervention Program, Atlanta Georgia.

455. Ramey, C.T. (June, 1998). What does research tell us about high risk infants and families and how to support them. Keynote address. Premature Infant and Implications for Early Intervention Conference. Early Intervention Program. Atlanta, Georgia.
456. Ramey, C.T. (June, 1998). Childhood brain development. Guest speaker. Strengthening the Quality of Childcare and Early Learning Experiences for Young Children. Tuscaloosa City School, Tuscaloosa, Alabama.
457. Ramey, C.T. (July, 1998). Participated in workshop Brain Research Development and its Implications for Improving Policy and Practice. Education Commission of the States, Jackson, Mississippi.
458. Ramey, C.T., Ramey, S.L., Stokes, B.R., Hovinga, M. & Campbell, V. (August, 1998). Prevention of developmental delay: Conceptual approach, epidemiology, and controlled trials. Presented at Symposium: Current prevention initiatives in child and adolescent mental health. American Psychological Association, San Francisco, California.
459. Ramey, C.T., (August, 1998). Effective prevention and early intervention programs for multi-risk children and families. State of the Art Address. American Psychological Association, San Francisco, California.
460. McIlvane, W., Thompson, T., Schroeder, S. Cataldo, M., Ramey, C.T., & Ramey, S.L. (August, 1998). Participated in symposium: Research collaboration across mental retardation research centers. American Psychological Association, San Francisco, California.
461. Campbell, F., & Ramey, C.T. (August, 1998). The Abecedarian project: Adolescent and young adult outcomes of early intervention. Presented at Symposium: Optimizing adolescent and adult development. American Psychological Association, San Francisco, California.
462. Ramey, C.T., & Ramey, S.L. (August, 1998). Maximizing children's intellectual and social development through intensive early intervention. National Congress of International Association for the Scientific Study of Intellectual Disabilities. Amsterdam, Holland.

- 786. Ramey, C.T. (2010, November) Brain, Behavior and Early Childhood Experience. Invited Presentation at the Virginia Tech/Carilion Brain Institute. Roanoke, Virginia.
- 787. Ramey, C.T. (2011, February) “Workshop on Early Childhood Care and Education Workforce”. Invited participant, National Academies of Sciences’ (NAS’s), Leavey Conference Center at Georgetown University, Washington, D.C.
- 788. Ramey, C.T. (2011, April). “Statewide Pre-K Effects on K to 4<sup>th</sup> Grade Academic Achievement From Successive Cohorts in Louisiana.” Poster Symposium Presentation at Society for Research in Child Development (SRCD) 2011 Biennial Meeting, Montreal, Canada.
- 789. Ramey, C.T. (2011, April). Invited guest Social Policy Across the Life Span; Memorial Conference in Tribute to the careers of James Callahan, Jr. and Lorraine Vogel Klerman, Brandeis University, Waltham, MA.

790. Ramey, C.T. (2011, April). "Children's Right to Thrive: Enhancing Competence across the Lifespan and Generations". Keynote speaker at the Developmental Resilience Symposium, University of Delaware, Newark, DE.
791. Ramey, C.T. (2011, May). "Critical Issues in Early Childhood Education". Invited speaker to the United Way of Roanoke, VA.
792. Ramey, C.T., & Ramey, S.L. (2011, June). "Novel therapies for brain rehabilitation in children". Presentation at Virginia Tech National Capital Region Research Center's "Meet the Scientists" event, Arlington, VA.
793. Ramey, C.T. (2011, September). "Early intervention research in the United States". Invited address sponsored by the Stranahan Foundation, Washington, DC.
794. Ramey, C.T. (2011, October). "Investing the future through early childhood education". Invited guest, Washington Post Live conference, Washington, DC.
795. Ramey, C.T. (2001, October). "The Future of Early Childhood Education". Invited presentation to Social Venture Partners Annual Conference, Minneapolis, MN.
796. Ramey, C.T., & Ramey, S.L. (2011, November). "Children's right to thrive: Universities as catalysts". Key note speaker, Sanford School of Public Policy, Duke University & Center for Developmental Science, UNC-Chapel Hill, NC.
797. Ramey, C.T. (2011, November). "Children's right to thrive: The foundational years". Presentation, CNA Workshop on the Scientific Study of Military Children, Washington, DC.
798. Ramey, C.T. (2011, December). "Evidence to support early childhood services". Invited speaker, Smart Beginnings Greater Roanoke meeting, Roanoke, VA.
799. Ramey, C.T. (2012, January). "Education the public concerning Pre-K education in America". Invited speaker, The Edison Institute, Washington, DC.
800. Ramey, C.T., & Ramey, S.L. (2012, February). "Children's right to thrive: Universities as catalysts". Keynote speaker, Developmental Science Colloquium Series, Virginia Tech, Blacksburg, VA.
801. Ramey, C.T. (2012, February). "Abecedarian Study tracks impact from infancy to age 30". Podcast, Early Ed Watch, New American Foundation, Washington, DC.
802. Ramey, C.T., & Ramey, S.L. (2012, February). "Implementation Science: Shared opportunities to enhance intergenerational health and lifelong well-being". Invited presentation, Jefferson College of Health Sciences, Department of Nursing Tau Phi Chapter, STTI, Roanoke, VA.
803. Ramey, C.T. (2012, March). "High Quality Early Childhood Education Produces Short and Long Term Benefits for Children, Parents, and Society". Key note speaker, 56<sup>th</sup> Annual Virginia Early Childhood Education Conference, Hampton, VA.

804. Ramey, C.T. (2012, March). “Integrating Longitudinal Databases”. Presentation, Governor’s Early Childhood Policy Research Working Group Subcommittee of the Governor’s Early Childhood Advisory Council (ECAC), Richmond, VA.
805. Ramey, C.T. (2012, March). “School Preparedness in Washington, DC”. Invited presentation, DC State Early Childhood Development Coordinating Council, Washington, DC.
806. Ramey, C.T. (2012, March). “Children’s Right to Thrive: The Foundational Years”. Invited speaker, Oklahoma Department of Human Services Practice and Policy lecture series, Oklahoman City, OK.
807. Ramey, C.T. (2012, April). “Democracy, Employment, and Civility: The Crisis in Early Childhood Supports”. Invited speaker, Community Voices Series at the Lyric Theater, Blacksburg, VA.
808. Ramey, C.T. (2012, April). Invited guest Early Childhood Interventions (ECI) Working Group and Chicago Initiatives for Economic Development and Early Childhood (CECE) Conferences, University of Chicago, Chicago, IL.
809. Ramey, C.T. (2012, April). “Identifying the Blue Print: Current Priorities and Possibilities”. Invited panel speaker, 2012 Early Learning Summit, Arlington, VA.
810. Ramey, C.T. & Ramey, S.L. (2012, May). “Hallmarks of successful early childhood programs”. Plenary speaker, Early Childhood Summit: Teaming Up, Taking Flight, Cajundome Convention Center, Lafayette, LA.
811. Ramey, C.T. (2012, May). “New evidence about closing the achievement gap in Louisiana”. Invited speaker, Academic Distinction Fund – Distinguished Speaker Series, Baton Rouge, LA.
812. Ramey, C.T. (2012, May). “Human infancy: How mastery begins”. Invited speaker, Sixth Annual Jack Reilly Distinguished Lecture in Infant and Toddler Caregiving, Syracuse University, Syracuse, NY.
813. Ramey, C.T. (2012, May). “Pre-K programs: Immediate and long-term- ROIs”. Invited speaker, Early Childhood Advisory Council meeting, Richmond, VA.
814. Ramey, C.T. (2012, July). “The national imperative for preparing all children for school and building a public education system that prepares all children and our nation for the future”. Plenary speaker, 2012 Children’s Defenses Fund (CDF) National Conference, Cincinnati, OH.
815. Ramey, C.T., & S.L. Ramey (2012, October). “ Children’s right to thrive: The promise and barriers to putting science into action”. Invited presentation, Distinguished Scholars Series Public Lecture, Virginia Tech Carilion Research Institute, Roanoke, VA .
816. Ramey, C.T., Sparling, J.J. Sparling, & Ramey, S.L. (2012, October). “Abecedarian: The Ideas, the approach, and the findings.” Invited guest speakers, University of North Carolina at Chapel Hill, Frank Porter Graham Child Development Institute, Chapel Hill, NC.
817. Ramey, C.T. (2012, October). Speak to the United Way Development Team about the importance of early childhood development. Invited speaker, United Way of Roanoke Valley, Roanoke, VA.

818. Ramey, C.T. (2012, October). “Early childhood programs produce immediate and long term benefits for children, parents, and society.” Keynote speaker, 16<sup>th</sup> Annual Great Beginnings Conference, DCU Center, Worcester, MA.
819. Ramey, C.T. (2012, November). “The science and future of Early Childhood Education (ECE).” Keynote speaker, Call to Action! Building the Voices for Early Childhood Education: A Working Forum, UJA Federation, New York, NY.
820. Ramey, C.T. (2012, December). “Improving the development of intelligence: An experimental and longitudinal approach.” Keynote speaker, 13<sup>th</sup> Annual Conference of the International Society for Intelligence Research (ISIR), San Antonio, TX.
821. Ramey, C.T. (2013, April). “The Abecedarian approach to early intervention: Ideas and outcomes.” Keynote speaker, 10<sup>th</sup> Annual Young Child Expo and Conference, New York’s Hotel Pennsylvania, New York, NY.
822. Ramey, C.T. (2013, June). Commencement Address, Community High School Graduation, Roanoke, VA.
823. Ramey, C.T. (2013, June). Remarks at retirement reception honoring Tom Chewing’s tenure as board chair for Virginia Early Childhood Foundation (VECF), Richmond, VA.
824. Ramey, C.T. (2013, June). “Early childhood in Virginia: Strengthening individuals, families, communities, and the State.” Speaker, Strong Kids, Strong Virginia Kick Off Campaign, Roanoke, VA.
825. Ramey, C.T. (2013, September). “Parenting benefits from early childhood educational interventions: Results from multiple RCTs.” Preconference presentation, 16<sup>th</sup> European Conference on Developmental Psychology, Lausanne, Switzerland.
826. Ramey, C.T. & S.L. Ramey (2013, February). A presentation of “Teen brain: The Musical”. Invited guest speakers, Special community performance hosted by Prevention Council of Roanoke County, Dumas Center, Roanoke VA.
827. Ramey, C.T. (2014, March). “Rally for Quality”. Invited speaker, 58<sup>th</sup> Annual Virginia Early Childhood Education Conference, Roanoke, Virginia.
828. Ramey, C.T. & S.L. Ramey (2014, March). “Exploring human developmental plasticity in education and health.” Invited speakers, Applied Developmental Psychology (ADP) Colloquia Series at George Mason University, Fairfax, VA.
829. Ramey, C.T. & S.L. Ramey (2014, April) “The spectrums of risk, resilience factors and developmental trajectories: Children’s Right to Thrive”. Invited speakers, Office of the State Superintendent of Education (OSSE), 2014 DC Infant and Toddler Conference: “Creating Pathways to Early Success”, Gallaudet University, Washington, DC.

- 830. Ramey, C.T. (2014, April). “Effective strategies to overcome intergenerational risks.” Invited speaker, Many Paths to Enhancing Parent-Child Relationships: Innovative Approaches to Providing Infant Mental Health, Home Visiting, and Part C Services, Orlando, FL.
- 831. Ramey, C.T. (2014, July). “Differential service impact analysis in early childhood”. Poster presentation, Head Start’s 12<sup>th</sup> national Research Conference on Early Childhood, Washington, DC.
- 832. Ramey, C.T. (2014, August) “What do young children need from their teachers? How much does it matter?”. Keynote presentation, annual Rainbow Station Convocation, Richmond, VA.
- 833. Ramey, C.T. (2014, October) “Reading a transformative skill”. Workshop “Helping children enter kindergarten ready to read” speaker, Virginia Municipal League 2014 Annual Conference, Roanoke, VA.
- 834. Ramey, C.T., & S.L. Ramey (2014, October). “Healthy, wealthy, and wise: Promoting multigenerational vitality”. Keynote speakers, Parents as Teachers 2014 National Conference, St Louis, MO.
- 835. Ramey, C.T., & Khushal, Salina (2014, October). “Low-socioeconomic-status children with asthma are absent from school 5 more days than asthmatic children from higher-income households.” Poster presentation, American Academy of Pediatric National Conference and Exhibition, San Diego, CA.
- 836. Ramey, C.T. (2014, October). “Research base of targeted early childhood education”. Keynote speaker, An Executive Briefing on “The Economics of Early Childhood: Smart Beginnings for Virginia’s Workforce Pipeline”, Richmond, VA.
- 837. Ramey, C.T. & S. L. Ramey (2014, October). “Latest research on brain development, with implications for early learning and literacy development.” Special presentation, The Campaign for Grade-Level Reading Regional Meeting, Roanoke Public Library, Roanoke, VA.
- 838. Ramey, C.T. (2014, November). Invited panel member, National Council on Teacher Quality Early Childhood Advisory Panel Meeting, Baltimore, MD.
- 839. Ramey, C.T. (2014, November). Invited workshop participant, Humanities Workshop on the Value of the Humanities, Washington, DC.
- 840. Ramey, C.T. & S. L. Ramey (2015, January). “Poverty, biology, and health: Will the circle be unbroken?” Invited speakers, 4<sup>th</sup> Annual Martin Luther King Jr. Week Seminars, Fralin Life Science Institute Auditorium, Virginia Tech, Blacksburg, VA.
- 841. Ramey, C.T. & S. L. Ramey (2015, January). “The civil rights of health, education, and biology: MLK’s enduring Legacy.” Invited speakers, 4<sup>th</sup> Annual Martin Luther King Jr. Week Seminars, Virginia Bioinformatics Institute Auditorium, Virginia Tech, Blacksburg, VA.
- 842. Ramey, C.T. & S. L. Ramey (2015, March). “Strategic investments in human capital starting with children: Hard data, tough choices.” Invited speakers, Kiwanis Club of Roanoke, Patrick Henry Hotel Ballroom, Roanoke, VA.

- 843. Ramey, C.T. (2015, March). "Improving educational and economic achievement with targeted early childhood education." Invited speaker, Southern Regional Education Board Early Childhood Commission Meeting, Louisville, KY.
- 844. Ramey, C.T. (2015, March). "Return on investment in early childhood education." Invited speaker, Southern Regional Education Board Early Childhood Commission Meeting, Louisville, KY.
- 845. Ramey, C.T. (2015, March). "Conducting longitudinal research in the community: Boundaries and other dilemmas." Conversation Roundtable, 2015 Society for Research in Child Development Biennial Meeting, Philadelphia, PA.
- 846. Ramey, C.T. (2015, March). "Dosage effects in early preventive intervention programs for at-risk children: Methodological challenges, solutions, and promises." Discussant, 2015 Society for Research in Child Development Biennial Meeting, Philadelphia, PA.
- 847. Ramey, C.T. (2015, March). "How the earliest experiences in life affect a baby's brain and behavior." Invited speaker, Virginia Tech Carilion Research Institute, Brain School, Roanoke, VA.
- 848. Ramey, C.T. (2015, March). "Economic return of early childhood education." Invited speaker, Chamber of Commerce Business Alliance, Tallahassee, FL.
- 849. Ramey, C.T. (2015, March). "Positive effects of early intervention on at-risk young children." Invited speaker, Florida Children and Youth Cabinet and House and Senate Education Committees, Tallahassee, FL.
- 850. Ramey, C.T. (2015, March). "Agency begins in human infancy." Invited speaker, Office of Early Learning, Tallahassee, FL.
- 851. Ramey, C.T. (2015, March). "Improving educational and economic achievement with targeted early childhood education." Invited speaker, Families First Summit: Mayors Summit on Children, Tallahassee, FL.
- 852. Ramey, C.T. (2015, April). "Reading: A transformative skill." Invited speaker, Kiwanis State/Mid-Atlantic Convention, Roanoke, VA.
- 853. Ramey, C.T. & S.L. Ramey (2015, April). "Intergenerational health and education: Actionable knowledge to help children." Invited keynote speakers, Kiwanis Regional Convention, Roanoke, VA.
- 854. Ramey, C.T. & S.L. Ramey (2015, April). "Inventing opportunities for children." Invited discussion, Virginia Tech, The Grove, Blacksburg, VA.
- 855. Ramey, C.T. (2015, April). "Kindergarten: Here we come ready or not!" Invited keynote speaker, Smart Beginnings Shenandoah Valley Early Childhood Summit, Blue Ridge Community College, Weyers Cave, VA.
- 856. Ramey, C.T. (2015, April). "Research foundations to ensure effective early childhood education." Invited speaker, Business Leaders Reception Breakfast, Harrisonburg, VA.

857. Ramey, C.T. (2015, April). “Head Start and kindergarten readiness in Roanoke” Invited speaker, Total Action for Progress (TAP) Board Meeting, Roanoke, VA.
858. Ramey, C.T. (2015, April). “Research base for birth to age 8 early childhood education.” Invited speaker, Town Hall Meeting with Lt. Governor Ralph Northam, Early Childhood Success Initiatives in Southwest Virginia, Blacksburg, VA.
859. Ramey, C.T. (2015, June). “Parenting benefits from early childhood educational interventions: Results from multiple RCTs.” Invited keynote speaker, 2<sup>nd</sup> HfH-Conference on Early Education: Early Intervention-Focus on Effectiveness, Zurich Switzerland.
860. Ramey, C.T. & S.L. Ramey (2015, June). “Early childhood education: Societal hope and scientific reality.” Invited speaker, National Kiwanis Children’s Summit: What a Child Needs, Washington, DC.
861. Ramey, C.T. & S.L. Ramey (2015, October). “Program length and age of entry. Effects on child outcomes.” Discussion leaders, Human Capital Research Collaborative National Invitational Conference: Sustaining Early Childhood Gains, Minneapolis, MN.
862. Ramey, C.T. & S.L. Ramey (2015, October). “Sustained effects and length of day in state PreK.” Invited presentation, Human Capital Research Collaborative National Invitational Conference, Sustaining Early Childhood Gains, Minneapolis, MN.
863. Ramey, C.T. (2015, October). “Celebrating the art and science of Smart Beginnings.” Invited speaker, 2015 Smart Beginnings Annual Meeting: Celebrating Ten Years of school Readiness, Richmond, VA.
864. Ramey, C.T. (2015, October). “The science of preschool learning.” Panel Member, Virginia Science Festival panel discussion, Lyric Theater, Blacksburg, VA.
865. Ramey, C.T. (2016, April). “How health and education disparities can contrite to poverty.” Invited speaker, Board of the National Office of College Mentors for Kids, Indianapolis, IN.
866. Ramey, C.T. (2016, May). “Increased learning opportunities and enhanced human development: Exploring the limits.” Invited speaker, Frank Porter Graham Child Development Institute 50th Anniversary Symposium, Chapel Hill, NC
867. Ramey, C.T. (2016, June). “The campaign for grade-level reading: What’s working and what’s next.” Invited speaker, 2016 National Civic League All-America City Award, Denver, CO.
868. Ramey, C.T. (2016, September). “Building the base of evidence.” Invited speaker, Virginia Early Childhood Foundation Board Meeting, Richmond, VA
869. Ramey, C.T. (2016, September). Friedman, D., Lincoln, J., Ramey, C., Ackley, E., & Haldiman, R. “Examining the impact of asthma in school aged children: Can an early childhood intervention program place impoverished children on a level playing field with their more advantaged peers?” Poster presentation, Society for Developmental and Behavioral Pediatrics, Savannah, GA.
870. Ramey, C.T. (2016, October). “Toward understanding differential risk for intellectual disability: An

- experimental approach.” Invited speaker, Virginia Nordic Precision Neuroscience Conference, Roanoke, VA.
871. Ramey, C.T. (2016, November). “Equity and access begin before birth: Evidence from long-term experiments.” Invited speaker, EdVenture Children’s Museum Early Childhood Institute Conference, Columbia, SC.
872. Ramey, C.T. (2016, November). “Framing pre-kindergarten programs for public engagement.” Invited speaker, Pre-Kindergarten: The State of Scientific Knowledge, Early Learning Experts Conference, SAS Institute, Cary, NC.
873. Ramey, C.T. (2016, April). “The intergenerational dynamics of health, education, economics, and social well-being.” Panel presenter, Business Intelligence & Healthcare Analytics Symposium – 2017, Roanoke, VA.
874. Ramey, C.T. (2017, April). Sonnier-Netto, L., Ramey, S.L., Hankey, M., & Ramey, C.T. “Adult child-parent relationships: Effects of early life experiences.” Poster presentation, Society for Research in Child Development (SRCD) Biennial Meeting, Austin, TX.
875. Ramey, C.T. (2017, April). “Creating, sustaining, and scaling positive effects in early childhood programs: Lessons for contemporary programs and studies.” Conversation roundtable, Society for Research in Child Development (SRCD) Biennial Meeting, Austin, TX.
876. Ramey, C.T. (2017, April). “Issues in Preschool Programs and Policy.” Panel presenter, Brookings Pre-K Consensus Event, Brookings Institute, Washington, DC.
877. Luo, Y., Hetu, S., Lohrenz, T., Ramey, S., Lisinsky, J., LaConte, S., Nolte, T., Fonagy, P., Montague, P.R., & Ramey, C.T. (2017, October). “Hyper-prosocial responses in subjects four decades after high quality early childhood investment.” Poster Presentation, 15th Annual Meeting Society for NeuroEconomics, Toronto, Canada.
878. Farah, M.J., Duda, J.T., Nichols, T.A., Ramey, S.L., Montague, P.R., Lohrenz, T.M., & Ramey, C.T. (2017, November). “Early educational intervention for poor children modifies brain structure in adulthood.” Poster Presentation, Society for Neuroscience (SfN) 2017, Washington, DC.
879. Parks, J.H., Hankey, M.S., & Ramey, C.T. (2017, November). “Cognitive and educational consequences of early intervention.” Poster presentation, 15<sup>th</sup> Annual American Medical Association Research Symposium, Honolulu, HI.
880. Ramey, C.T. (2017, November). “Supporting adaptive brain and behavior: The Abecedarian Approach to social, educational, and health disparities.” Invited speaker, Advancing the Human Condition Symposium, Blacksburg, VA.
881. Ramey, C.T. (2017, December). “The Abecedarian Approach: A framework for economic and workforce development.” Invited speaker, Early Childhood Speaker Series, Mississippi Public Broadcasting Auditorium, University, MS.
882. Ramey, C.T. (2018, March). “Early childhood education: Why, how, and when.” Invited speaker,

Making the Case and States Taking Action: Early Childhood Education at Council of Chief State School Officer's (CCSSO) Legislative Conference, Washington, DC.

883. Ramey, C.T. (2018, March). "Principles of effective and individualized early intervention." Invited speaker, Virginia Tech Autism Clinic and Center for Autism Research Annual Conference, Blacksburg, VA.
884. Ramey, C.T. (2018, April). "High quality early education and education effects on adult child-parent relationships." Paper Session: "Relationships and Partnerships in Early Childhood Settings," 2018 American Educational Research Association (AERA) Annual Meeting, New York, NY.
885. Ramey, C.T. (2018, April). "Geographic and social mobility: The long-term effects of early childhood experiences." Roundtable Session: "Early Childhood Policy Issues," 2018 American Educational Research Association (AERA) Annual Meeting, New York, NY (April, 2018).
886. Ramey, C.T. (2018, April). "Statewide public pre-k education associated with better academic and social outcomes in third grade." Paper Session: "Early Childhood Impacts," 2018 American Educational Research Association (AERA) Annual Meeting, New York, NY.
887. Ramey, C.T. (2018, September). "Quality childcare changes lives – The Abecedarian Project and the impact of early education," 2<sup>nd</sup> Annual Igniting Connections Early Education Symposium, Blacksburg, VA.
888. Ramey, C.T. (2018, November). "Using science to overcome educational, health, and social disparities." Invited speaker, Virginia Tech Lifelong Learning Special Event, Blacksburg, VA.
889. Ramey, C.T. (2019, March) "Indicators of successful aging: An experimental study of long-term effects of early care and education on midlife outcomes." Poster presentation, Society for Research in Child Development (SRCD) Biennial Meeting, Baltimore, MD.
890. Ramey, C.T. (2019, March) "Air quality, asthma, and school absenteeism." Poster presentation, Society for Research in Child Development (SRCD) Biennial Meeting, Baltimore, MD.
891. Ramey, C.T. (2021, April) "Childhood environment and adult brain structure: Experimental evidence." Paper Symposium, Society for Research in Child Development (SRCD) Virtual Biennial Meeting.
892. Ramey, C.T. (2021, September) "The science of early learning and play." Keynote Speaker, 2021 Power of Play Luncheon, Wonder Universe a Children's Museum, Christiansburg, VA.
893. *No Small Matter* Community Conversation, Invited panelist, Virtual Meeting (November, 2021).
894. (2022, February). The I-ACQUIRE Trial of Intensive Infant Rehabilitation in Perinatal Arterial Ischemic stroke. Poster presentation, International Stroke Conference, New Orleans, LA.
