10 Year Celebration Weekend Plans

Friday, August 23

**3:30pm -
5:00pm**

We will hold our TBMH Welcome Back Social for all new and returning students to meet each other and faculty. We encourage alumni and any current or former faculty members to attend. You will have a chance to catch up, meet the new cohort, meet alumni, and see familiar faces of faculty members. This event will be a great way to kick-off the weekend. Drinks and heavy hors d'oeuvres will be provided. Tours of the updated FBRI and TBMH facilities will be available during this time.

6:00pm

TBMH is holding space at Twisted Track Brewpub in downtown Roanoke for an alumni meet up. This will be an opportunity to catch up with friends, talk about old memories, and make new ones. Twisted Track Brewpub has incredible outdoor and indoor seating areas, and something to eat and drink for everyone. Eat, drink, and talk into the night!

Saturday, August 24

9:00am

TBMH will be holding an Alumni Symposium where six alumni will give a talk on their current research and career, their personal and professional journey, and how their time with TBMH helped them on their way. This event is for everyone to see the accomplishments of TBMH alumni. All current students, alumni, current and former VT faculty, and the public-at-large are welcome. Please register your attendance by August 9, 2024. [Register here.](#)

6:30pm

Cap the weekend off with friends enjoying a night under the stars watching the Salem Red Sox play baseball. We invite all alumni and current students to join us where we will have reserved seats and food and drinks provided.

**TBMH is holding a block of rooms at SpringHill Suites
in Roanoke.**
