

# RESEARCH IN PROGRESS SEMINAR

Presented by the Fralin Biomedical Research Institute at VTC

## ***Siqi Jia***

*Identifying Molecular Mechanisms Underlying Circadian Clock Resetting in Response to Genotoxic Stress*

## ***Alec Beck***

*The Mechanisms Initiating and Synchronizing Automaticity in Multicellular Networks*

SIQI JIA

Graduate Student  
Biological Sciences  
Finkelstein Lab  
Fralin Biomedical Research Institute at VTC

ALEC BECK

Graduate Student  
Translational Biology, Medicine, and Health  
Poelzing Lab  
Fralin Biomedical Research Institute at VTC

TUESDAY, DEC. 17, at 4:00 p.m.

Room G101A/B, 4 Riverside Circle

FRALIN BIOMEDICAL  
RESEARCH INSTITUTE AT VTC  
VIRGINIA TECH.
