

# RESEARCH IN PROGRESS SEMINAR

Presented by the Fralin Biomedical Research Institute at VTC

## Rhea John

*The Brain Drain: Impact of Amyloid Beta on Meningeal Lymphatics System*

## Mason Wheeler

*The Role of REDD1 in Regulating Cardiac Metabolism*

## MASON WHEELER

Graduate Student

Translational Biology, Medicine, and Health

Pfleger Lab

Fralin Biomedical Research Institute at VTC

## RHEA JOHN

Graduate Student

Biomedical Engineering and Mechanics

Munson Lab

Fralin Biomedical Research Institute at VTC

TUESDAY, APRIL 16, at 4:00 p.m.

Room G101 A/B, 4 Riverside Circle

FRALIN BIOMEDICAL  
RESEARCH INSTITUTE AT VTC  
VIRGINIA TECH.
