

# RESEARCH IN PROGRESS SEMINAR

Presented by the Fralin Biomedical Research Institute at VTC

## Blanka Bordas

*Demystifying Dynamics: PRMT5 Methylation and Its Influence on ZNF326 Function*

## Elizaveta Kadukhina

*Circadian Clock Disruption Alters Cell Cycle Progression*

### BLANKA BORDAS

Graduate Student  
Translational Biology, Medicine, and Health  
Mulvaney Lab  
Fralin Biomedical Research Institute at VTC

### ELIZAVETA KADUKHINA

Graduate Student  
Biological Sciences  
Finkielstein Lab  
Fralin Biomedical Research Institute at VTC

TUESDAY, FEB. 13, at 4:00 p.m.

Room R3012, 2 Riverside Circle

FRALIN BIOMEDICAL  
RESEARCH INSTITUTE AT VTC  
VIRGINIA TECH.
