

# PIONEERS IN BIOMEDICAL RESEARCH SEMINAR

Presented by the Fralin Biomedical Research Institute and co-sponsored by the research institute's Addiction Recovery Research Center and the Center for Health Behaviors Research

CHANITA HUGHES-HALBERT, Ph.D.

Professor, Department of Population and Public Health Sciences  
Vice Chair for Research

Associate Director for Cancer Equity  
Norris Comprehensive Cancer Center  
University of Southern California

## *Virtual Seminar: Basic Behavioral Science Research to Enhance Health Equity*

The purpose of this seminar is to describe multilevel frameworks for minority health and health disparities. As part of this, methodological issues and findings from ongoing research in stress reactivity among African American men and women will be presented. Emerging priorities for basic behavioral science research will be reviewed.

FRIDAY, DEC. 3 at 11:00 a.m.

Watch live via Zoom at <https://virginiatech.zoom.us/j/82722436593> or at <https://fbri.vtc.vt.edu/events/live-webcast.html>.
