

RESEARCH IN PROGRESS SEMINAR

Presented by the Fralin Biomedical Research Institute at VTC

Mikel Cawley

Investigating the Role of MCU in Powering Circuit-specific Forms of Structural Plasticity

Zachary Williams

$\beta 1$ vs $\beta 1B$: Which is the Major Player in Cardiac Cells?

MIKEL CAWLEY

Graduate Student

Translational Biology, Medicine, and Health

Farris Lab

Fralin Biomedical Research Institute at VTC

ZACHARY WILLIAMS

Graduate Student

Translational Biology, Medicine, and Health

Gourdie Lab

Fralin Biomedical Research Institute at VTC

TUESDAY, DEC. 12, at 4:00 p.m.

Room R3012, 2 Riverside Circle

FRALIN BIOMEDICAL
RESEARCH INSTITUTE AT VTC
VIRGINIA TECH.
