

# RESEARCH IN PROGRESS SEMINAR

Presented by the Fralin Biomedical Research Institute at VTC

## Jessica Cunningham, Ph.D.

*Interstitial Fluid Flow as a Predictor for Glioblastoma Invasion, Progression, and Recurrence*

## Ryan Montalvo, Ph.D.

*The Role of AMPK in Cardiac and Skeletal Muscle Function, Bioenergetics, and Mitochondrial Quality Control*

JESSICA CUNNINGHAM, Ph.D.

Research Scientist

Munson Lab

Fralin Biomedical Research Institute at VTC

RYAN MONTALVO, Ph.D.

Postdoctoral Associate

Yan Lab

Fralin Biomedical Research Institute at VTC

TUESDAY, NOV. 14, at 4:00 p.m.

Room R3012, 2 Riverside Circle

FRALIN BIOMEDICAL  
RESEARCH INSTITUTE AT VTC  
VIRGINIA TECH.
