

RESEARCH IN PROGRESS SEMINAR

Presented by the Fralin Biomedical Research Institute at VTC

Karthi Sreedevi, Ph.D.

Perm1 Is a Novel Regulator of O-GlcNAcylation in the Heart

Michael Brooks, D.V.M.

Regulation of Developmental Cell Death in Hypothalamic Corticotrophin-releasing Hormone Neurons Through DSCAML1 and Cortisol Signaling

KARTHI SREEDEVI, Ph.D.

Postdoctoral Associate

Fralin Biomedical Research Institute at VTC

Warren Lab

MICHAEL BROOKS, D.V.M.

Graduate Student

Department of Biomedical Sciences and Pathobiology

Virginia-Maryland College of Veterinary Medicine

Pan Lab

TUESDAY, FEB. 14, at 4 p.m.

Room R3012, 2 Riverside Circle.

FRALIN BIOMEDICAL
